November 2023

Tariff of Fees (Minimum)

We are honored to present you with our billing methods & fees.

This document illustrates the **minimal fees** Itzhaki-Weinberger Consultants (IWC) Limited may charge. While most issues remain within the constraints of this document, complex issues or issues demanding senior staff time may incur other levels of payment.

As Itzhaki-Weinberger Consultants (IWC) Limited provide a broad range of services, the fees are adjusted to fit each different service.

We are usually billing by the hour, while in some cases a base fee will be charged in addition to the work hours billing & expenses.

Important Notes:

- All prices are in U.S. Dollars.
- The prices are net prices and do not include taxes (e.g. V.A.T).
- Our Tariff of Fees updates on an annual basis on November 5th each year.
- Every meeting, including a first or introduction meeting will be billed according to this document, even if Itzhaki-Weinberger Consultants (IWC) Limited is not hired for the job.

Section D – Legal Expert Opinions

We supply a unique yet important (even critical) service – Writing legal expert opinions and appearing in court as an expert witness in a variety of technology related cases we are experienced with.

These services vary - from appearing on criminal cases (Hacking, computer crimes etc.), through torts, violation of copyright, intellectual property, technology related contracts and services and more.

Our services are excellent for all parties – Plaintiffs, Defendants, 3rd parties etc.

Hourly Rates:

Preparation of Expert Opinion:

- Information Security : \$ 800 / hour
- Professional Negligence, Communications : \$ 750 / hour
- Other Technology Related Issues : \$ 700 / hour

Base Rates:

- Expert Opinion Preparation (To be filed to court) : \$ 4,800
- Court Session – Attending as Expert Witness : \$ 2,200

As mentioned above, we provide these services on a vast variety of incidents and cases, including (but not limited to) Computer Crimes, Hacking, Computer Forensics, Evidence Analysis & Cyber-Attacks analysis.

We also specialize in determining whether a party was working according to recognized world standards, assessing the quality of the technological work done (for professional negligence cases), and assembling the technological evidence into an easy-to-read file for the court, with all professional conclusions attached.
